JESSICA GRADY

EMBELLISHED FLORAL HOOP

Jessica is a contemporary embroidery artist who works from her studio in Leeds with the assistance of her studio cat Spencer the tabby! She creates colourful and highly tactile textiles and sculptures that utilise many recycled and waste materials. She also teaches workshops and courses across the country to schools, private groups and organisations. Jessica's work has been sold and exhibited across the UK and Europe and she is also a Crafts Council Directory maker. She was awarded the Embroiderers Guild Scholar award in 2018 for her textile practice.

WORKSHOP – SATURDAY 14th NOVEMBER 10.00 – 11.30 am

On this workshop you'll learn how to create 3D sponge flowers, trailing vines along with other decorative embellishments and embroidery. As well as traditional textile materials Jessica will also show you how to incorporate recycled and waste materials such as plastic packaging and papers into your artwork. This is a technique based class so each person will be able to create a design that is unique to them.

A kit is provided, and included in the cost of the workshop.

Additional to the kit, you will need:

Scissors
embroidery hoop (approx. 5")
needle
sewing thread
