

Teacup Trees - 3D Machine Embroidered Oak Trees with Jane Fairweather

n.b. There will be a charge of £5 per person payable to the tutor to cover specialist items such as dissolvable film, pre-felt, merino wools, wire, Oasis etc which she will provide. Some cups will be available to purchase approx. £6 - £8.50 if required.

REQUIREMENTS LIST:

Sewing machine with the ability to do free motion embroidery. Machine instruction book.

Darning/embroidery foot to fit the machine + at least 6 bobbins.

An embroidery hoop preferably 8".

Machine embroidery threads – ordinary Sylko type threads or Madeira Viscose/Rayon 40 or similar. In various shades of green and brown – think tree colours. If you want to do an Autumn tree, bring threads in those shades/tones.

A few hand threads in plant & flower colours – green, pink, blue etc. Perle is good but you can use stranded cotton. Thicker threads such as wool also can be used in small areas.

A few pieces of soft fabric in greens if you have them – scrim etc.

Basic sewing kit – small, sharp scissors, pins, spare machine needles, hand embroidery needles including large eyed ones for wool, small screw driver for tightening hoop.

Fine Felt tip pen in a dark colour.

Teacup or similar vessel. Size 7 - 9cms diameter. It does not have to a picture on it.

Felting needle and foam or brush mat. A Clover Needle felting tool is useful. We can share these items so don't buy specially for this workshop.

Notebook and pen if you wish to take notes.
